CONTENTS

EXECUTIVE SUMMARY	1
INTRODUCTION	2
Overview of delivery technologies for genetic material: past, present & future	2
<i>Leading technology platforms for the delivery of genetic material</i>	3
Nucleic acid delivery: motivators & resistors	4
<i>Nucleic acid technology motivators</i>	4
Motivators	4
<i>Nucleic acid technology resistors</i>	5
Resistors	5
ADVANCED NUCLEIC ACID DELIVERY TECHNOLOGIES	6
Types of nucleic acid-based products under development by the pharma industry	6
Viral vector delivery of nucleic acids	6
<i>Schematic of gene therapy utilising an AAV vector</i>	6
<i>Schematic of gene therapy utilising HIV envelope - virosome</i>	7
Bacterial vector delivery of nucleic acids	8
Non-viral vector delivery of nucleic acids	8
Chemical Technologies	8
<i>Stable nucleic acid-lipid particles</i>	10
<i>Targeted nanoparticles</i>	10
Physical Technologies	11
<i>Schematic of Zosano Pharma's Patch Technology</i>	11
<i>Electroporation technology – PassPort Delivery System</i>	12
<i>Advantages and disadvantages of nucleic acid platforms</i>	13
Current therapeutic applications for the viral and non-viral delivery of nucleic acids	13
Leading nucleic acid based products in development	13
<i>Nucleic acid-based approved/filed drugs</i>	14
<i>Selection of gene therapies in clinical development</i>	15
<i>Selection of RNA therapeutics in clinical development</i>	17
<i>Selection of DNA vaccines in clinical development</i>	17
Future commercial applications & opportunities	18
STRATEGIES OF DRUG DELIVERY COMPANIES	19
Leading nucleic acid drug delivery companies	19
<i>Leading nucleic acid drug delivery specialists</i>	19
Partnerships & acquisitions	22
Strategic developmental & commercialisation partnerships	22
Mergers, acquisitions & joint ventures	22
<i>Recent partnerships & acquisitions in the nucleic acid field</i>	23
Intellectual Property	25
<i>Nucleic acid patents</i>	26
THE VIRAL AND NON-VIRAL VECTOR DELIVERY MARKET	27
Now 2009	27
<i>Approved nucleic acid product sales</i>	27
Future 2018	28
<i>Novel nucleic acid product sales</i>	28
<i>Global controlled release product sales</i>	28
COMPETITOR ANALYSIS	29
Movers & Shakers: Cutting edge or losing their grip	29
<i>Movers & shakers in nucleic acid drug delivery systems</i>	29
COMPANY PROFILES	31

Alnylam Pharmaceuticals (www.alnylam.com)	31
Proprietary delivery technology	31
Applications in the pharma industry.....	31
Management/technical expertise	32
Competition within the delivery technology sector	32
Products in development/approved utilising the delivery technology.....	32
<i>Alnylam's product pipeline</i>	33
Sales forecasts of products utilising the delivery technology	33
<i>Alnylam's sales forecasts</i>	34
Competitor Ratio Analysis	34
AlphaVax, Inc. (www.alphavax.com)	35
Proprietary delivery technology	35
<i>The alphavaccine platform system</i>	35
Applications in the pharma industry.....	36
Management/technical expertise	36
Competition within the delivery technology sector	36
Products in development/approved utilising the delivery technology.....	36
<i>AlphaVax' product pipeline</i>	37
Sales forecasts of products utilising the delivery technology	37
<i>AlphaVax' sales forecasts</i>	37
Competitor Ratio Analysis	37
Altea Therapeutics, Inc (www.alteatherapeutics.com)	38
Proprietary delivery technology	38
<i>Altea Therapeutics' Passport Patch</i>	38
Applications in the pharma industry.....	39
Management/technical expertise	39
Competition within the delivery technology sector	39
Products in development/approved utilising the delivery technology.....	40
<i>Altea Therapeutics' product pipeline</i>	40
Sales forecasts of products utilising the delivery technology	40
Competitor Ratio Analysis	40
AP Pharma, Inc (www.appharma.com)	41
Proprietary delivery technology	41
Applications in the pharma industry.....	41
Management/technical expertise	41
Competition within the delivery technology sector	41
Products in development/approved utilising the delivery technology.....	42
<i>AP Pharma's product pipeline</i>	42
Sales forecasts of products utilising the delivery technology	42
Competitor Ratio Analysis	42
ArmaGen Technologies (www.armagen.com)	43
Proprietary delivery technology	43
<i>ArmaGen's BBB delivery technology</i>	43
Applications in the pharma industry.....	43
Management/technical expertise	44
Competition within the delivery technology sector	44
Products in development/approved utilising the delivery technology.....	44
<i>ArmaGen Technologies' product pipeline</i>	44
Sales forecasts of products utilising the delivery technology	45
Competitor Ratio Analysis	45
BioDelivery Sciences International (www.biodeliverysciences.com)	46

Proprietary delivery technology46

Bioral Technology.....46

Direct membrane fusion47

Applications in the pharma industry.....47

Management/technical expertise47

Competition within the delivery technology sector48

Products in development/approved utilising the delivery technology.....48

BDSI's product pipeline.....48

Sales forecasts of products utilising the delivery technology48

Competitor Ratio Analysis48

Calando Pharmaceuticals (www.calandopharma.com) 49

Proprietary delivery technology49

Schematic of cyclodextrin polymeric nanoparticles49

Applications in the pharma industry49

Management/technical expertise49

Competition within the delivery technology sector50

Products in development/approved utilising the delivery technology.....50

Calando's product pipeline.....50

Sales forecasts of products utilising the delivery technology50

Calando's sales forecasts.....50

Competitor Ratio Analysis50

Cequent Pharmaceuticals (www.cequentpharma.com)51

Proprietary delivery technology51

Application in the pharma industry51

Management/technical expertise51

Competition within the delivery technology sector51

Products in development/approved utilising the delivery technology.....51

Cequent's product pipeline.....52

Sales forecasts of products utilising the delivery technology52

Cequent's sales forecasts.....52

Competitor Ratio Analysis52

Copernicus Therapeutics (www.cgsys.com)53

Proprietary delivery technology53

Uptake and trafficking of condensed nanoparticle DNA53

Applications in the pharma industry.....53

Management/technical expertise54

Competition within the delivery technology sector54

Products in development/approved utilising the delivery technology.....54

Copernicus' product pipeline.....54

Sales forecasts of products utilising the delivery technology54

Competitor Ratio Analysis55

Diatos SA (www.diatos.com) 56

Proprietary delivery technology56

Applications in the pharma industry.....56

Management/technical expertise56

Competition within the delivery technology sector57

Products in development/approved utilising the delivery technology.....57

Diatos' product pipeline57

Sales forecasts of products utilising the delivery technology57

Competitor Ratio Analysis57

DOR BioPharma, Inc (www.dorbiopharma.com) 58

Proprietary delivery technology	58
Applications in the pharma industry.....	58
Management/technical expertise	58
Competition within the delivery technology sector	58
Products in development/approved utilising the delivery technology.....	59
<i>DOR's product pipeline.....</i>	59
Sales forecasts of products utilising the delivery technology	59
Competitor Ratio Analysis	59
Expression Genetics, Inc (www.egencorp.com)	60
Proprietary delivery technology	60
<i>TheraPlas Technology Platform</i>	60
<i>TheraSilence Technology Platform.....</i>	61
Applications in the pharma industry.....	61
Management/technical expertise	61
Competition within the delivery technology sector	61
Products in development/approved utilising the delivery technology.....	61
<i>EGEN's product pipeline</i>	62
Sales forecasts of products utilising the delivery technology	62
<i>EGEN's sales forecasts.....</i>	62
Competitor Ratio Analysis	62
Inovio Biomedical Corporation (www.inovio.com).....	63
Proprietary delivery technology	63
<i>Inovio's gene delivery platform.....</i>	63
<i>Inovio's MedPulser DNA Delivery System</i>	63
<i>VGX' Collectra Technology</i>	64
Applications in the pharma industry.....	64
Management/technical expertise	64
Competition within the delivery technology sector	65
Products in development/approved utilising the delivery technology.....	65
<i>Inovio's product pipeline.....</i>	66
Sales forecasts of products utilising the delivery technology	66
<i>Inovio's sales forecasts</i>	67
Competitor Ratio Analysis	67
MaxCyte, Inc (www.maxcyte.com)	68
Proprietary delivery technology	68
<i>MaxCyte's GT ex vivo cell loading system.....</i>	68
Applications in the pharma industry.....	69
Management/technical expertise	69
Competition within the delivery technology sector	69
Products in development/approved utilising the delivery technology.....	69
<i>MaxCyte's product pipeline.....</i>	70
Sales forecasts of products utilising the delivery technology	70
Competitor Ratio Analysis	70
Nanotherapeutics (www.nanotherapeutics.com)	71
Proprietary delivery technology	71
Applications in the pharma industry.....	71
Management/technical expertise	71
Competition within the delivery technology sector	72
Products in development/approved utilising the delivery technology.....	72
<i>Nanotherapeutics' product pipeline.....</i>	72
Sales forecasts of products utilising the delivery technology	72

Competitor Ratio Analysis	72
NeoPharm (www.neopharm.com).....	73
Proprietary delivery technology.....	73
Management/technical expertise	73
Competition within the delivery technology sector	73
Products in development/approved utilising the delivery technology.....	73
<i>NeoPharm's product pipeline.....</i>	<i>74</i>
Sales forecasts of products utilising the delivery technology	74
Competitor Ratio Analysis	74
Novagali Pharma SA (www.novagali.com)	75
Proprietary delivery technology.....	75
Management/technical expertise	75
Competition within the delivery technology sector	75
Products in development/approved utilising the delivery technology.....	75
<i>Novagali's product pipeline</i>	<i>76</i>
Sales forecasts of products utilising the delivery technology	76
Competitor Ratio Analysis	76
Oxford Biomedica (www.oxfordbiomedica.com)	77
Proprietary delivery technology.....	77
<i>Oxford Biomedica's LentiVector system</i>	<i>77</i>
Management/technical expertise	77
Competition within the delivery technology sector	77
Products in development/approved utilising the delivery technology.....	77
<i>Oxford Biomedica's product pipeline</i>	<i>78</i>
Sales forecasts of products utilising the delivery technology	78
<i>Oxford Biomedica's sales forecasts</i>	<i>78</i>
Competitor Ratio Analysis	78
PCI Biotech (www.pcibiotech.com)	79
Proprietary delivery technology.....	79
<i>PCI enhances siRNA's gene silencing effect and improves gene delivery.....</i>	<i>79</i>
Applications in the pharma industry.....	80
<i>Potential applications for improving the delivery of a range of drug types</i>	<i>80</i>
Management/technical expertise	80
Competition within the delivery technology sector	80
Products in development/approved utilising the delivery technology.....	80
<i>PCI's product pipeline.....</i>	<i>81</i>
Sales forecasts of products utilising the delivery technology	81
Competitor Ratio Analysis	81
Silence Therapeutics plc (www.silence-therapeutics.com)	82
Proprietary delivery technology.....	82
Applications in the pharma industry.....	82
Management/technical expertise	82
Competition within the delivery technology sector	82
Products in development/approved utilising the delivery technology.....	83
<i>Silence Therapeutics' product pipeline.....</i>	<i>83</i>
Sales forecasts of products utilising the delivery technology	83
<i>Silence Therapeutics' sales forecasts</i>	<i>83</i>
Competitor Ratio Analysis	84
Targeted Genetics Corporation (www.targetedgenetics.com)	85
Proprietary delivery technology.....	85
Applications in the pharma industry.....	85

Management/technical expertise	85
Competition within the delivery technology sector	86
Products in development/approved utilising the delivery technology.....	86
<i>TGEN's product pipeline.....</i>	86
Sales forecasts of products utilising the delivery technology	86
<i>Targeted Genetics sales forecasts.....</i>	86
Competitor Ratio Analysis	87
Tekmira Pharmaceuticals Corporation (www.tekmirapharm.com)	88
Proprietary delivery technology	88
Applications in the pharma industry.....	88
Management/technical expertise	88
Competition within the delivery technology sector	89
Products in development/approved utilising the delivery technology.....	89
<i>Tekmira's product pipeline.....</i>	89
Sales forecasts of products utilising the delivery technology	89
<i>Tekmira's sales forecasts.....</i>	90
Competitor Ratio Analysis	90
TissueGene, Inc (www.tissuegene.com).....	91
Proprietary delivery technology	91
<i>Manufacturing TissueGene-C cell mediated gene therapies.....</i>	91
Applications in the pharma industry.....	91
<i>Application of TissueGene-C cell mediated gene therapy in orthopaedics.....</i>	92
Management/technical expertise	92
Competition within the delivery technology sector	92
